

# **Summer Program 2017**

## **« Cooking for Health in France: From Field to Plate »**

**Experiential learning:  
4 weeks of interactive workshops  
and an optional one-month field experience**

## Objectives

Participate in an intensive, interdisciplinary program that combines culinary arts, health sciences and professional practice while discovering French sustainable food production.

Gain practical, international experience while earning college credits. Immerse yourself in French culture.

## Dates

On Campus Program: **May 17 - June 16, 2017**

Internship Program: **June 19 – July 19, 2017**

## Admission requirements

Juniors, Seniors or Master degree students in Life Sciences, Agriculture, Food, Nutrition, Public Health, Dietetics etc. from an accredited institution.

**For non-native speakers of English:** 785 TOEIC, 567 TOEFL paper (or 227 TOEFLcbt, 87 TOEFLib), 6.5 IELTS.

*French: not required but basic French would be useful for the field experience option.*

## Credits

**Up to 8 US Credits:** 1 US Credits/week and 4 US Credits for the one-month internship.

## Costs

For students from partner universities:

- On Campus Program: **2000 €**
- On Campus + internship: **2400€**

For students from non-partner universities:

- Only On Campus Program: **4600€**

**Costs include:** OW transportation from CDG Airport to LaSalle, housing, culinary platform fee, RT transportations from LaSalle to work placement location, work placement administration fees.

**Not included:** RT travel from country of origin, passport/visa fees, mandatory health **and liability** insurance coverage, all meals (optional meal plan available at approx. 10€/day), personal expenses, incl. personal travel on long week-ends at Ascension and Pentecost (see schedule). Return transportation from LaSalle to airport at the end of the program.

*\* All dishes in the photos were carried out by students participating in previous summer programs*

## Study in France

The “Grandes Ecoles” are unique to France. They were created in the late 18th century in order to offer outstanding education to the country’s future engineers. LaSalle Beauvais, founded in 1854, belongs to this tradition. This summer program crosses our historical B.S./M.S. degrees in Agriculture and in Geology. Foreign students will benefit of our links with partners universities and with invited speakers from public and private sectors.

The proximity with Paris provides a prime example of large urban areas that demand increasing amounts of drinking water quality to sustain their growing population. This constitutes an accurate opportunity to study future water challenges and find new way to manage them.

### Admissions

- **Deadline for sending application:**  
FEB 15, 2017
- **Application forms are available on our website:** [www.lasalle-beauvais.fr/-Study-at-LaSalle-Beauvais-](http://www.lasalle-beauvais.fr/-Study-at-LaSalle-Beauvais-)
- **Contact:**  
[incoming@lasalle-beauvais.fr](mailto:incoming@lasalle-beauvais.fr)

### International Relations

## Discover France while earning college credits

**We are already looking forward to welcoming you on our campus!**

Beauvais is located in northern France, 50 miles to the north of Paris.

Trains to Paris depart every hour.

Beauvais is an ideal base for exploring Europe.

From Paris Beauvais international airport (5 minutes from LaSalle campus), low cost companies offer regular flights to exciting destinations such as: Italy (Rome, Milan, Venice, Pisa), Spain (Barcelona, Madrid), Great Britain (Manchester), Ireland (Dublin), Sweden (Stockholm), Norway (Oslo), Portugal (Porto), Romania (Bucharest), Poland (Warsaw), or Czech Republic (Prague)...
